## Judgemental Bible verses

‘Stop judging by the way things look!  
Be fair, and judge by what is really right.’  
(John 7:24 *ICB*)

‘If you think that you can judge others, then you are wrong.  
You too are guilty of sin.  
You judge people, but you do the same bad things they do.  
So when you judge them, you are really judging yourself guilty.’  
(Romans 2:1 *ICB*)

‘A witness who lies will be punished.  
An untruthful person will not be left unpunished.’  
(Proverbs 19:5 *ICB*)
