## INTERNATIONAL MOON DAY COLOURING

'One small step for man, one giant leap for mankind!' That's what Neil Armstrong said when he first stepped on to the Moon. He was the first person to ever walk on it! It's 55 years today (20 July) since Neil's lunar landing and people all around the world are still celebrating it! Why not join in by adding a splash of colour to the design below? If you'd like to share your artwork with other readers, email your colouring to: [kidsalive@salvationarmy.org.uk](mailto:kidsalive@salvationarmy.org.uk). Make sure you write 'International Moon Day Colouring' in the subject box and give us your full name, age and address. Alternatively you can post your colouring to: Your Space, Kids Alive! 1 Champion Park, London SE5 8FJ. **One last reminder, if you're sending by post remember to fill in the details below so we know who you are. We send a gift to everyone whose colouring we publish, so don't miss out!**
