ACROSS ALL OUR TRAINING WE SEEK TO EQUIP LEADERS TO LIVE OUT THE 5 MISSION PRIORITIES

 <p>SHARE THE GOOD NEWS</p>	 <p>SERVE OTHERS WITHOUT DISCRIMINATION</p>	 <p>NURTURE DISCIPLES OF JESUS</p>	 <p>CARE FOR CREATION</p>	 <p>SEEK JUSTICE & RECONCILIATION</p>
<p>At the heart of The Salvation Army's mission is a passion to proclaim the good news of Jesus Christ far and wide. This is not an optional extra. The Salvation Army only does what it does because our inspiration and vision come from peoples' ongoing relationship with Jesus. We know the difference our relationship with God makes in our lives and we don't want anyone to miss out.</p>	<p>The Salvation Army responds to people without discrimination. God calls us to be with the people we serve. In 'being with' people - as against 'doing for' people - together we find solutions and make progress because we are all made in the image of God. We are called to share love in a too often loveless world. 'Love God, Love Others' inspires every aspect of our work.</p>	<p>The future of The Salvation Army depends on nurturing current and future generations of Christian disciples who, filled by the Holy Spirit, share the good news of Jesus, resulting in more disciples. Like athletes, Christian disciples need to practise staying fit for God's demanding mission. Habits such as prayer, Bible reading, corporate worship, music, tithing and helping others are vital. The Salvation Army believes being a disciple of Jesus and experiencing the blessing of holiness is the way to experience fullness of life.</p>	<p>The Salvation Army is committed to helping change attitudes, resulting in a more responsible use of our planet. We seek to provide practical care and advocacy for people affected by damage to the environment. People will not experience fullness of life unless God's creation is protected and cared for.</p>	<p>People can experience a fuller life while we are on Earth - we don't have to wait until we die. God longs for justice for all people. Therefore, The Salvation Army will speak out against injustice. We fight not simply the effects of injustice but also the systems and structures that enable injustice. Seeking reconciliation is also an essential part of Salvation Army life. Justice and reconciliation are vital activities to achieving 'Our Vision' of 'fullness of life for all with Jesus'.</p>
