

Create a poster.

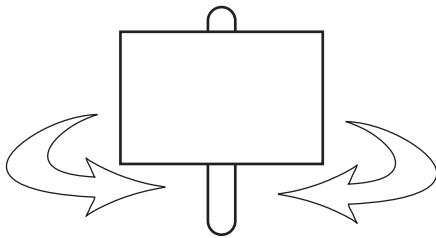

Give people hope about climate change - that we can change things for the better.

You could...

Create a two-sided mini poster.

- On one side write a question or statement about climate change today.
- On the other write a hope for the future
- Then illustrate.
- Attach string or a lollipop stick so the poster can twirl, showcasing both sides.

Letter

Write a letter about climate change.

Write to...

Write a letter to your MP or councillor about climate change.
Or write a letter to a local leader, eg your headteacher, church, community centre or a business.

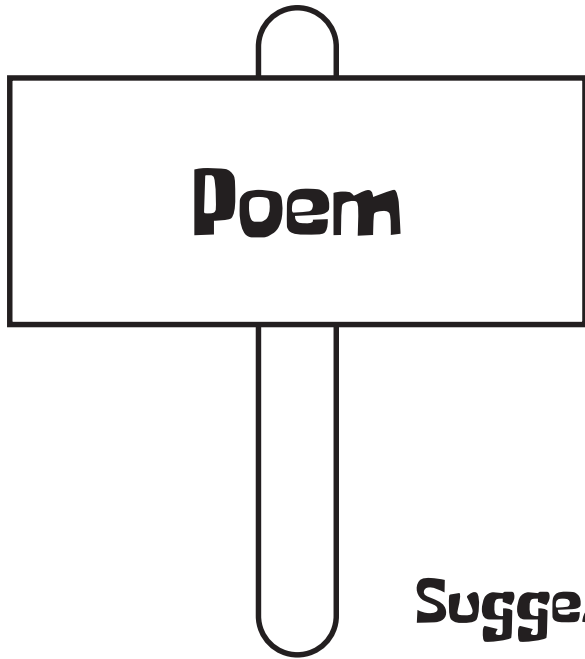

- Why do they need to know?
- What do they need to do?
- Share how you feel about climate change.

Or be creative...

Write a letter to the planet.

- Explain what is happening to the planet.
- Give hope to the planet that action is being taken.

Write a poem about climate change.

Write about...

You could base your poem on:

- Fairness for the world
- Your hope for the future
- Reduce, reuse and recycle

Free verse poem

Be creative - in any way you choose!

Shape poem

- Draw a shape linked to climate change.
- Write your poem filling the shape.

Reminder notes

Create reminders / mini posters.
Encourage people to help fight climate
change.

You could...

Create small notes to help remind people to
reduce, reuse or recycle.

- Be clear what you want people to do eg turn off a light, put items in correct bins, reuse an item.
- Make the reminder clear and noticeable.
- Plan where to put them so they are noticed.

Plan

Create a plan to stop climate change.

How would you change the world?

Think big - and small...

- How would you stop climate change?
- How would you change the world for the better?
- Plan out your ideas to revolutionise the world.

i promise to...

What will you do to make a difference for the planet?

Suggestions...

Reduce

- Swap a car ride for a walk when you can.
- Switch the lights off when leaving a room.
- Boil the correct amount of water in a kettle.
- Wear a jumper if you're cold before using a heater.
- Print only what is needed - and use both sides.
- Buy what you really need, so less is thrown out / goes to land-fill.

Reuse

- Find a new use for unwanted items, eg make a pen tidy or use the inside of cardboard boxes for drawing.
- Use a refillable water bottle.
- Check out your local charity shops.
- Wrap presents using used wrapping paper or magazines.
- Make your own cards using unwanted items.

Rally

- Raise awareness by talking to others about climate change.

Recycle

- Check items that can be recycled are in the correct bin at home.
- Donate unwanted clothes or toys.
- Squish boxes, cartons and plastic bottles (if safe to do so) to create more space in the recycling bin.
- Remove food waste before recycling an item.
- Learn to make garden compost:
