

# Start the trail here...

Trees are very special and important.

Follow the tree trail to find out why!

# Seed

Trees grow from tiny seeds!

Curl up tight like a seed and then  
grow as tall as a tree!

# Air

Trees are amazing! They make  
the air that we breathe.

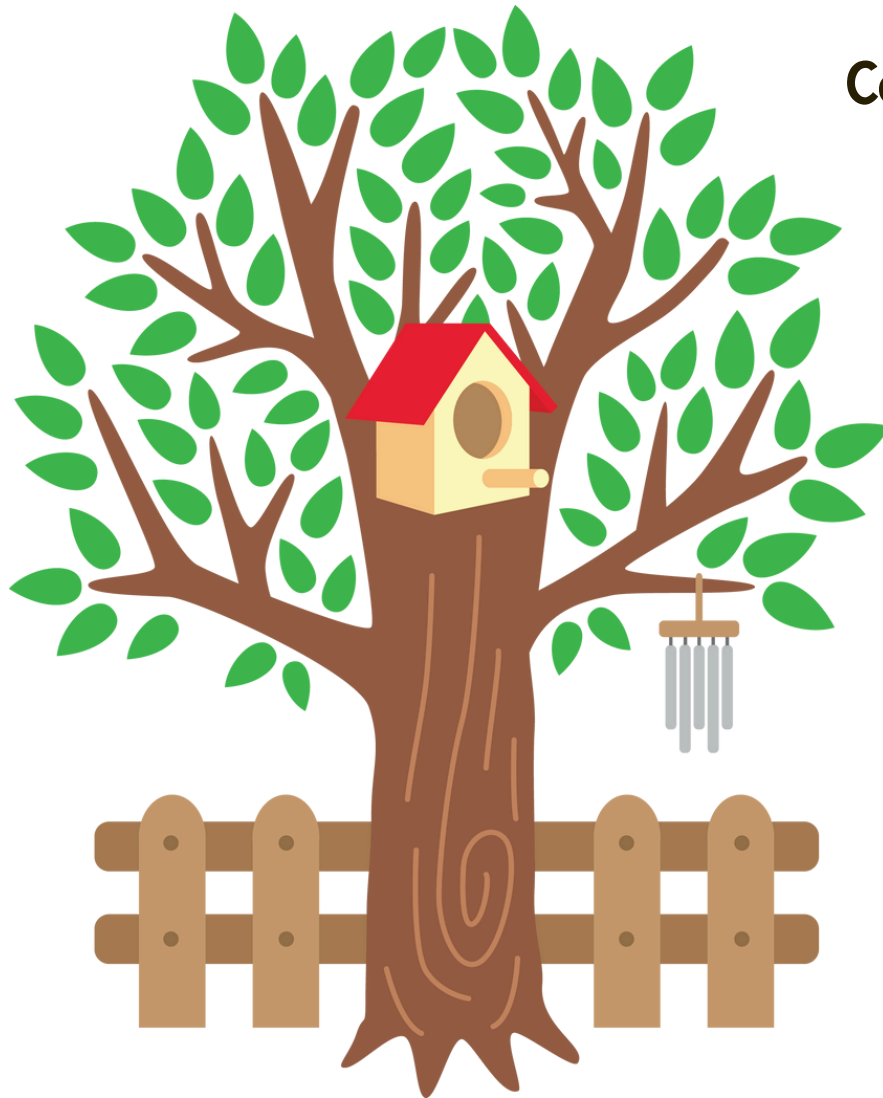

Take some big breaths in and out.

# Animals

A tree can be a home for lots of animals.

Can you spot some animals  
that live in trees?

# Smooth and bumpy

Trees have bark to protect them.

Find a tree with bumpy bark.

Find a tree with smooth bark.

# Tall and small

Trees can grow very tall!

Can you see a tall tree?

Can you see a small tree?

You've completed the trail!
